Guy,

I am writing to request that whoever filmed on 5th street last pay for unplugging our tivoli lights. I have had to pay \$495 to assess the situation and figure out what happened. I have also communicated with the Bureau of Street Lighting to make sure they haven't changed out light fixtures to rule that out.

If we want to get the rest of the lights back on, we will have to pay thousands of dollars to do that.

Thank you for your assistance in helping me figure out who is responsible for this.

I look forward to resolving this soon.

Best regards,

Lorena Parker
